

Dear Investor,

On behalf of the Independent Review Committee for the Oak Hill Funds (the “Funds”), I am pleased to present the Report to Securityholders for the Year Ending December 2024. Our principal function is to consider situations referred to us by Oak Hill Asset Management Inc. (the Manager of the Funds) in which there may be a conflict of interest between the Manager and the Funds. Depending on the nature of the potential conflict of interest, we may either recommend as to whether a proposed action by the Manager achieves a fair and reasonable result for the Funds, or, in certain circumstances, we have the authority to withhold approval of the Manager’s proposed action.

Securityholders wishing to see the precise requirements for the Committee are referred to National Instrument 81-107, Independent Review Committee for Investment Funds, available at www.osc.gov.on.ca. The general principle behind NI 81-107 is that certain actions of the Manager may place the Manager in a conflict of interest position with respect to the Funds and that the manager must act honestly, in good faith, and in the best interests of the Funds.

The Independent Review Committee was established on January 9, 2023 in accordance with the mandate set out by the Canadian securities regulators. All three members of the Committee are independent of the Manager and its affiliates. All publicly offered investment funds in Canada must have an Investment Review Committee.

The members of the IRC look forward to continuing to work with the Manager to serve in the best interests of the Funds.

Our report to Securityholders will be done on an annual basis and will be posted to Oak Hill Asset Management Inc.’s website (www.oakhillam.com) and filed with SEDAR+, www.sedarplus.ca.

Chair of the Independent Review Committee
